

MX100S

Stereo Mobile Headset

One headset for both music *and* calls.

- Premium Music and Mobile Headset**

Enjoy the convenience of one headset for music and mobile calls! One-touch button switches between your iPod® or other multimedia devices and your mobile phone.

- Clear Calls**

AcuSpeak® microphone technology delivers clear calls.

- Superior Comfort in Stereo**

The Flex Grip® design provides a secure, comfortable fit for both ears. Perfect for any activity.

MX100S Key Features

- Switch between music and calls easily with one button
- Clear conversations with AcuSpeak® microphone technology
- Quality stereo sound
- Comfort and stability with Flex Grip® design
- Compatible with iPods and most multimedia devices, including MP3 players and laptops

3.5 mm and 2.5 mm plugs provide compatibility with personal multimedia devices and most headset-ready phones.

Flex Grip® design and soft, foam earbuds for secure fit and quality stereo sound.

Compact microphone design with AcuSpeak® technology for clear conversations.

Easy control lets you switch between music and mobile phone calls.
